## Purpose Statement

---

The following statement covers the communication policy of North East Scotland Pension Fund, as administered by Aberdeen City Council.

This statement provides an overview of how the Fund will communicate with its members, employers, staff and wider stakeholders and has been produced in accordance with Regulation 59(1) and (2) of the Local Government Pension Scheme (Scotland) Regulations 2018. This requires authorities that administer the Local Government Pension Scheme (LGPS) to prepare, maintain and publish a statement of policy concerning communication with:

- members;
- representatives of members;
- prospective members; and
- Scheme employers.

The statement must set out its policy on –

- the provision of information and publicity about the scheme to members, representatives of members and scheme employers;
- the format, frequency and method of distributing such information or publicity; and
- the promotion of the scheme to prospective members and their employers.

## COVID-19 Exceptions

---

Some services have been reduced or amended as a result of the COVID-19 pandemic and the subsequent impact on staffing, resources and the office closure. These changes will remain in place until such time that existing restrictions are removed. Services that have been impacted include:

- Telephone Service: Due to homeworking, staff resources and workload, the Fund helpline is currently operating at a reduced level, with phonelines only open from 10:30 – 12pm Monday to Friday.
- Appointments and Meetings: For safety there are no face-to-face meetings, appointments, seminars or training sessions being held. In some instances, such as pre-retirals or employer training, online webinars are being delivered in the absence of in-person events.

## Application & Scope

---

The communication strategy aims to provide:

- Comprehensive communication
- Clarity of message
- Accuracy and timeliness
- Equality of access
- A dialogue with stakeholders

### **What does the policy statement cover?**

- Information to scheme members, representatives, employers and all other stakeholders with an interest in the Fund
- The format, frequency, and method of distribution of such information
- The promotion of the scheme to prospective members and their employing bodies

### **With whom do we communicate?**

Scheme members:

- Prospective members
- Active members
- Deferred Pensioner members
- Pensioner and Dependent members
- Scheme member representatives
- Pension Board

Scheme employers

Elected members

- Pensions Committee

Pension Fund staff/internal

Wider audience

### **How do we communicate?**

When deciding how to communicate we take into consideration our audience and the cost to the Fund. We aim to use the most appropriate means of communication for the audience receiving the information.

### **Scheme members**

The Fund will issue correspondence to our members in one of two ways; either by post direct to the member's home address or electronically via My Pension, our online Member Self Service facility. We work with employers to ensure that we hold the most up to date information and regularly advise members of the importance of notifying us of a change of address.

For prospective members, copies of our scheme guides are available from our website for employers to include in either recruitment or appointment packs.

- **Literature**

We have a comprehensive range of scheme guides, factsheets and forms available for our members. These are available at all times through our website [www.nespf.org.uk](http://www.nespf.org.uk) and are subject to annual review.

On joining the pension scheme we will issue members with a New Start pack which includes;

- Welcome letter
- FAQ Booklet
- Member Self Service Activation Key

- **Annual benefit statements**

Once a year we send all members a benefit statement which summarises the basic information we hold about them and gives estimates of the current and future value of the member's benefits. These are issued through the secure online Member Self Service facility. Members have the option to opt out of and instead receive a paper-based statement.

- **Newsletters**

We provide members with an annual newsletter that sets out the latest information about the scheme including an abridged copy of the Pension Fund financial statement and other pension matters. The newsletter is sent out with each member's annual benefit statement.

Newsletters are also issued to advise members of changes to the scheme as and when these arise.

- **Website**

The NESPF website can be accessed by all members at [www.nespf.org.uk](http://www.nespf.org.uk). It contains comprehensive information regarding the Local Government Pension Scheme and NESPF.

- **Online "My Pension" Portal**

My Pension is a secure online portal that provides member with real-time, 24-hour access to their pension data. Members can update their contact details, run pension estimates, amend death grant nominations, and access scheme and member documents. Members can also upload documents directly to us through the portal instead of posting them. There are additional features for retired members who can update their bank details and access their monthly pension payslips and P60s.

The majority of communications and documents such as Annual Benefit Statements, letters and retiral options are now issued via My Pension. However, members can still request paper copies which are issued by post.

- **Presentations and 1-2-1's**

Fund Officers will attend corporate induction events in order to present to prospective scheme members the benefits of joining the LGPS. Fund Officers will also deliver general pension presentations for existing members alongside 1-2-1 appointments where individuals can discuss their personal circumstances in relation to their pension. These services are available to all our scheme employers.

1-2-1 appointments with a member of the benefits administration team can also be requested during normal office working hours by contacting the Pension Fund.

- **Pensions surgeries**

Pensions surgeries will be held at various locations within the area to provide a valuable aid to new and existing members.

- **Pensions Helpline/Mailbox**

A dedicated pensions helpline number **01224 264 264** is available (Monday to Friday between 9am and 5pm) as well as a pensions email address [pensions@nespf.org.uk](mailto:pensions@nespf.org.uk) which is monitored on a daily basis.

### Pensioner Members

In addition to the above, for pensioner members including retired members and the widows, widowers, civil partners or eligible cohabiting partners and dependent children of deceased members, we provide:

- **An annual payslip**

A physical payslip to reflect changes resulting from the annual pensions increase and on occasions where there is a net change of 50p or more to their monthly pension amount. The April pay advice shows the effect of the annual pension increase and any tax changes.

Payslips are generated monthly and are available to view online by logging into My Pension.

- **P60**

A certificate to show the total pension paid and tax deducted in the last tax year.

P60's are generated annually and are available to view online by logging into My Pension. These are printable in an HMRC acceptable format where copies are required.

- **Newsletter**

We issue an annual pensions newsletter to pensioner members which contains relevant information such as the amount of the pensions increase, pension pay dates and useful contact information including the tax office.

### Scheme employers

We use a range of methods to share information with our scheme employers;

- **Individual employer meetings**

Meetings can be arranged on an individual basis for an employer to discuss any particular issues with Fund staff. These meetings can be arranged through our Employer Relationship Team.

We will hold liaison meetings as and when required with the main scheme employers to resolve technical or service delivery issues.

- **Newsletters**

We issue a quarterly '**Employer Briefing**' newsletter.

We will also issue ad hoc bulletins to keep employers informed of any regulation changes or changes to our administration procedures.

- **Website**

The NESPF website can be accessed by all members at [www.nespf.org.uk](http://www.nespf.org.uk). It also has a dedicated employer area where they can find guides and information in relation to being a scheme employer.

The Fund provides administration guidance for scheme employers detailing the main processes and procedures (including forms) employers should follow in carrying out their administration responsibilities through the secure employer area of the NESPF website.

- **Periodic employer meetings**

We will hold periodic meetings with employers to discuss major scheme changes, strategic issues or legislative changes.

- **Training sessions**

The Employer Relationship Team offer training sessions to both the payroll or personnel departments of each scheme employer and these can be requested at any time.

## Elected & Board Members

Fund Officers work closely with members of the Pensions Committee and Pension Board, ensuring they can fulfil their duties and responsibilities. This includes the provision of dedicated training for all members of the Pensions Committee and Board.

Copies of Committee and Board report packs, agendas and minutes are available on both the Aberdeen City Council and Pension Fund websites.

A dedicated secure area for Pensions Committee and Board members is available at [www.nespf.org.uk](http://www.nespf.org.uk).

## Pension Fund Staff/Internal

It is important to ensure our staff have access to the relevant information and knowledge to enable them to perform their duties. This is achieved via use of emails/Teams, internal team meetings, intranet and internal/external training events on specific topics.

## Wider audience

- Trade Unions

We will work with trade union representatives to ensure that the scheme is understood by all interested parties.

Although we currently have no formal meetings between the pension section and union representatives, training days for branch officers will be provided on request. We will endeavour to ensure that all related pensions issues are communicated effectively with the Trade Unions.

The following Trade Unions are also represented on the NESPF Pension Board:

UCATT  
Unite  
Unison  
GMB

- External service providers

We will correspond with external service providers within the Councils service standards and in the most efficient and effective manner.

## Surveys & Feedback

---

Seeking feedback on the delivery of our services is key to continually improving the services we offer. Annual surveys are issued as part of benefit statements and our pensioner newsletter with ad-hoc surveys run in relation to specific interactions such as website or My Pension. These surveys help us understand our customer's journey, whilst highlighting areas of best practice, identifying potential service developments and, in turn, allowing us to continually improve our customer's experience.

## Accessibility

---

All communication materials are designed to meet accessibility standards and requirements as much as possible. Our documents are available in alternative formats if required such as large font, braille etc. Please contact the Fund to discuss your requirements.

## Supporting Procedures & Documentation

---

This policy is supported by the policies and procedures that make up the wider governance framework and those prescribed by the Local Government Pension Scheme (Scotland) Regulations. Copies of which are available online at [www.nespf.org.uk](http://www.nespf.org.uk).

## Responsibilities

---

Day to day responsibility for the implementation of this policy sits with the Chief Officer-Finance and dedicated staff within the Pensions Team.

The Pensions Committee will review this policy annually.

Any questions or feedback on this document should be forwarded to the **Governance Team**:

NESPF  
Level 1, 2MSq  
Marischal Square
